European Nazarene College (EuNC) is one school in many nations, a decentralised vocational college of theology and ministry in the Wesleyan-Arminian theological tradition. It offers programmes at the certificate, diploma and advanced diploma levels utilising face-to-face, hybrid, and fully online delivery in 14 different languages through 17 Learning Centres located throughout Eurasia. This delivery method allows students to pursue their education, where they are, and in their native language.

Through our programmes, as well as our non-accredited offerings, we live out our mission of Enabling Christlike Disciples for Ministry – whether that is for pastoral ministry, building ministry skills, or one's own spiritual growth.

## What is the Digital Campus?

*At the EuNC Digital Campus, we offer courses utilising online technologies supplemented with video conferencing as appropriate. This allows us to offer courses both with quality and also with flexibility providing students the option to "attend class" from anywhere and an ability to work on assignments around their schedule and within their context. Our academic courses are supported by practical training in the local church. Online classes, plus hands-on experience, provide a comprehensive education to help in both ministry and life.*

## Programmes and Accreditation

*We offer the following educational programmes:*

- Certificate in Spiritual Formation (60 ECTS). Deepen your faith with courses in Bible, Theology and Spiritual Formation.*
- Diploma in Christian Ministry (120 ECTS). Build your skills in Christian Ministry to serve more effectively in God's kingdom.*
- Advanced Diploma in Applied Theology (180 ECTS). Develop stronger skills in ministry, and deepen your knowledge in Bible and Theology for ministering in various contexts.*

*EuNC is accredited by the European Council for Theological Education (ECTE). You can find out more at:*

## Courses

*In addition to courses that are a part of the programmes we are offering, you can also take accredited courses individually for your own personal growth, professional development or if you just want to see what it is like to take courses at EuNC before starting a programme.*

*In addition to these formal courses from our programmes, the Digital Campus also provides opportunities occasionally with shorter non-accredited courses in various subjects. You can see the courses currently planned by scanning the QR code.*
